AUG-2025

SUMMER CODING CLASS SUMMARY

Join our 3-week Summer Coding Class from August 18 to September 5, every Monday, Wednesday, and Friday from 10 AM to 12 PM — for just ₱20,000.

This class is designed for absolute beginners and tech-curious individuals ready to kickstart or gain clarity in their software engineering journey. If you've been waiting for the “perfect time” to start coding, this is it.

You'll learn frontend, backend, and how to use AI in development, build a real-life portfolio project, get mentored by experienced developers, and finish with a certificate and a supportive tech community to grow with.
